

### Summer

Olang is a popular summer – resort, because of its fresh air, the altitude and the beautiful landscape.

Our farm is an ideal starting point for different walking- and hiking-tours.

Popular destinations near Olang are the mountains “Piz da Peres”, “Hochalpenkopf”, “Dreifingerspitze” or the “Kronplatz”.

The bicycle path, which crosses the Pustertal, passes near our house and different mountain bike itineraries invite you to enjoy the “Nature-Fitness-Park Kronplatz-Dolomiti”.
