

Winter

During wintertime everyone in Olang goes skiing.

Starting from the "Nassenwegerhof" you can join easily by cost-free ski-bus or by car the Kronplatz, ski area number one in South Tyrol.

Near our house you can find well groomed cross-country-slopes and great itineraries for ski-mountain-neering and snow-shoe walking.

Some tobogganrun-slopes at Olang invite you to a nice toboggantrip.
